

WEDDINGS 2024

Donostia / San Sebastián

The Hotel de Londres y de Inglaterra has been, over the years, witness and protagonist of the events that have marked the history of our city. A hotel of the city and for the city. A hotel of its people, and above all, of the most special moments of its citizens. Such as a wedding.

The celebration of a wedding is one of the most important moments of our lives and at the Hotel de Londres y de Inglaterra we are aware of it. For this reason, we offer you an idyllic setting: a 19th-century building facing the bay of La Concha in San Sebastian.

The decoration and the atmosphere of our meeting rooms will make your banquet an unforgettable moment for you and for all your guests.

Our magnificent rooms and their spectacular sea views can accommodate up to 350 guests. In addition, the exquisite Basque cuisine of our chef Mikel Ibero, specialised in seasonal products, will make your wedding a delicious culinary experience.
